

6th INTERNATIONAL CONFERENCE ON NOISE, VIBRATION AND COMFORT

“Towards Sound and Vibrant Life”

5, 6 and 7 March 2018, Putrajaya, Malaysia

www.svam.my/nvc2018

Call For Papers

Authors are invited to submit abstract of no more than 300 words in one page to the conference secretariat. **All accepted papers will be published in one of the following Scopus indexed journals/conference proceedings: International Journal of Automotive and Mechanical Engineering, Journal of Vibroengineering, or MATEC Web of Conference.**

Who Should Attend?

Engineers, scientists, researchers, consultants, academicians, policy makers and vibration specialist that work in the field of vibration and acoustic.

Fees and Payment Details

| | Local | International |
|------------------|---------|---------------|
| Presenter | RM 1300 | USD 350 |
| SVAM Member | RM 1200 | — |
| Walk-in/Attendee | RM 800 | USD 250 |

Important Dates

Abstract Deadline : **20 November 2017**
Full Paper Deadline : **31 December 2017**
Payment Deadline : **31 December 2017**

Multiple submission: Please contact us at nvc@svam.my

Payment can be made to **SOCIETY OF VIBRATION AND ACOUSTICS MALAYSIA (MAYBANK 562834621460)**. Swift code **MBISMYKL**.

Areas

Acoustics Emission; Building Acoustics; Building Vibration; Computing and Simulation Techniques in NVC, Emerging Acoustics and Vibration Technology; Energy Harvesting; Structural Vibration; Environmental Sound and Vibration Issues; Human Vibration, Industrial Noise and Vibration; Machining Vibration; Musical Acoustics; Noise Vibration and Harshness; Sound and Vibration in Bio-Medical Engineering; Structural Health Monitoring; Vibration Control; and other related topics to NVC.
